Using sign language, babies everywhere are successfully communicating their needs and desires even before they can talk. They are jump-starting their communications and language skills while deepening parent-child bonds. baby fingers sign language baby sign signs books board book signing pictures babies child learn pages teach parents photos interested toddlers printed Top Reviews Most recent Top Reviews There was a problem filtering reviews right now. Baby Fingers™: Teaching Your Baby to Sign by. Lora Heller. 3.44 · Rating details · 16 ratings · 2 reviews Using sign language, babies everywhere are successfully communicating their needs and desires even before they can talk. They are jump-starting their communications and language skills while deepening parent-child bonds. Baby Fingers™: I'm Feeling . . . : Teaching Your Baby to Sign. Signing changes all that, and gives babies and toddlers the skills to understand their own emotions and to recognize ours. Kids' self-esteem will soar as they perform these very simple gestures and convey the fact that they're tired, curious, hurt, bored, surprised,...
