

Bathroom Desings

Bathroom Desings - As you research bathroom ideas and browse photos, make sure to save any bathrooms that catch your eye, then figure out some of the common features that seem to recur throughout. Keep in mind your space limitations, desired materials and general bathroom remodel costs before committing to a major (or minor) project. Get bathroom ideas with designer pictures at HGTV for decorating with bathroom vanities, tile, cabinets, bathtubs, sinks, showers, and more. Functionality is key for a small bathroom. Small rooms can easily lead to unwanted clutter, so make sure you're adding only design elements that are functional. Don't add knick-knacks or objects that don't serve a purpose. Store cotton balls and swabs in glass jars on floating shelves. Install a hamper under the sink. Natural Wood Bathroom. In a Charleston guest house, the master bathroom's sinks are by Kohler, the unlacquered brass fittings are by Watermark Designs and the shower is lined in Alabama white marble. The sconces are 1930s Italian. The walls are lined in cypress shiplap with a tung-oil finish.
