

First Generation College Student Definition

First Generation College Student Definition - They Face More Challenges Than Other College Students. But the term "first-generation college student" (aka first-gen) can describe a variety of family education situations. Students who had a parent enroll but never graduate or one parent graduate and the other never attend can be first-gens. A first-generation college student is defined as a student whose parent(s)/legal guardian(s) have not completed a bachelor's degree. This means that you are the first in your family to attend a four-year college/university to attain a bachelor's degree. Being first-generation is a very proud accomplishment. What It Means To Be A First-Generation College Student. A first-gen student is a nickname for a first generation college student—someone whose parents did not attend college. You can be a first-gen if you are the first person from your family to attend college, or if your sibling went and you are going, too.
