They may look intimidating, but using pleater tape and hooks makes this project simple for sewers of any level.. You can also easily add a drapery lining to these curtains. Cut the lining the same size as the finished curtain and tuck it under the hems and sides before sewing.Use with pinch pleat hooks. Sold per metre or in 50 metre boxTriple, Pinch or French Pleat Curtain Styling Tape. Triple, pinch or french pleat curtain styling tape makes this pretty and ever popular curtain heading. When the tape is pulled up the effect made is of three pleats joined together at the base to create a fan like shape.
